ABOUT ME

Hi! My name is Sanjay, a fledgling front-end developer with a keen interest for web development. I am looking for a career opportunity that will allow me to improve my skills whilst also allowing me to complete tasks that result in the profit of the company.

WORK EXPERIENCE

JUNIOR WEB DEVELOPER - FRONT-END INTERN
OpenTurf Technologies Private Limited
July 2023 - Jan 2024

- Incremental in the creation process of *StageOne*, an interview-candidate selecting service, automated by AI.
- Implemented the core functionality of *StageOne*, which includes:
  1. Dynamic and responsive layout for different types of questions.
  2. Processing answers from candidate, which can range from video-based to more traditional answers such as MCQ.
  3. User validation.
  4. Assessment of the results of interview.
- Collaborated with team members to complete the over-all functionality of *StageOne.*
- Maintained *XT*, an invoice-process project and made updates based on client requirements.

TECHNICAL SKILLS:

- HTML5
